Technical Skills

Programming Languages: Python, C, C++, Java

AI/ML & NLP: NLTK, spaCy, PyTorch (Basics), scikit-learn, NumPy, Pandas, Matplotlib

NLP & Deep Learning Concepts: Natural Language Processing, Transformers, RNNs, LSTMs, Generative AI, Machine Learning

Model Evaluation: Precision, Recall, F1-score, Accuracy, BLEU, ROUGE (Basic Understanding)

Tools & Platforms: Git, GitHub, Streamlit, MySQL, Android Studio

Web Technologies: HTML, CSS, JavaScript (Basic)

Projects

AI-Powered Workflow Assistant — Python, Streamlit

- Built an NLP-based system to process unstructured text, notes, and PDF documents.
- Implemented preprocessing techniques such as tokenization and text cleaning for structured analysis.
- Designed prompt-based pipelines for summarization, task extraction, and deadline detection.
- Evaluated generated outputs and iteratively improved prompt strategies.
- Developed an interactive Streamlit interface for real-time text processing workflows.

Text Classification Mini Project — Python, NLTK / spaCy, scikit-learn

- Preprocessed text data using tokenization, stopword removal, and lemmatization.
- Built a basic text classification model (sentiment analysis).
- Evaluated model performance using precision, recall, and F1-score.
- Gained hands-on experience with NLP pipelines and evaluation techniques.

Mood Tracker & Daily Journal App — Java, Android Studio, XML, SharedPreferences

- Developed an Android app for daily mood tracking with journaling features.
- Implemented local storage using SharedPreferences for timestamped entries.
- Designed a responsive UI with mood-based themes and dark/light mode.

DSA Utility Toolkit — C++

- Built a menu-driven application implementing stacks, queues, and linked lists.
- Focused on efficient logic and time complexity optimization.

Education

Jaypee University of Engineering and Technology, Guna, MP

Bachelor of Technology in Computer Science Engineering (CGPA: 7.47/10)

2024 – 2028

Disha Delphi Public School, Kota, Rajasthan

Class XII, CBSE

2024

Disha Delphi Public School, Kota, Rajasthan

Class X, CBSE

2022

Relevant Coursework

Artificial Intelligence, Machine Learning, Data Mining, Data Structures & Algorithms, DBMS, OOPs

Leadership & Extracurricular Activities

- Coordinator, Literary Wing
- Coordinator, GeeksforGeeks Technical Club
- Coordinator, Curation Team – TEDxJUET
- Silver Medalist, Inter-Year Volleyball Tournament
